

## Environmental Policy Statement

It is the policy of Concept Cables Ltd. to regularly review and continuously improve the performance of its products, processes, distribution and operating systems with respect to their impact on the health and safety of its employees and the public, as well as their impact on the environment.

Our policy is to comply with all relevant government regulations and is responsive to the concerns of the public and its employees.

Concept Cables Ltd. assist its customers in the safe and environmentally sound use of its products and encourages its suppliers to adopt a similar policy.

New products are developed with environmental issues in mind.

All employees are made aware of this policy and asked to actively co-operate in its observations, promotion and development.
